

**SUDLEY INFANT SCHOOL IS OUTSTANDING  
- IT'S OFFICIAL!**

**Dear Parents and carers,**

**We are delighted to be able to send you a copy of our latest Ofsted report in which you will find that the school has been graded Outstanding in all areas.**

The new September 2013 framework is the hardest and toughest yet and our school is one of the very few schools across the country that has been awarded this grade—more importantly we are the first school in Liverpool since September to get this fantastic result!

**A special thank you to all staff, children, parents and governors who worked so hard and 'stepped up' even further during the inspection — we are so proud of all of you.**

**We are now ready to enjoy the Christmas period with the children—making special school memories together.**

**Thank you so much for supporting us through the year.**

**Kind regards,**

**R. Thomas, Headteacher & Miss S Milan, Chair of Governors**
