

Dear Parents/Guardians,

Each year the children of Sudley Infants raise money for many charities during our 'Charities week'. This year Nightingales and Blackbirds will be raising money for The Clatterbridge Cancer Centre (charity registration no. 1051727). Part of this appeal includes the building of a Lego brick hospital model with every Lego brick used representing each £1 donated- please see below for more details.

***An appeal from The Clatterbridge Cancer Centre.***

***As The Clatterbridge Cancer Centre forges ahead on building a brand new cancer hospital in the heart of Liverpool, The Clatterbridge Cancer Charity needs your support in a race to beat the build... with THE BIG LEGO® BRICK HOSPITAL.***

***When complete, it will be one of the biggest LEGO structures in the UK and the first ever hospital of its kind to be made from LEGO bricks in the world!***

***With over half a million bricks going into the scale model, a team of dedicated enthusiasts will build THE BIG LEGO BRICK HOSPITAL piece by piece, but we can't do it without you! You can Buy a Brick for a donation of just £1 and be part of building this amazing structure. Every brick helps us to beat the new cancer hospital to completion by Spring 2020.***

With your support, The Clatterbridge Cancer Centre can fund pioneering research, the latest cancer treatments & vital services - ranging from new innovations to the special touches that help to change lives. Funds raised will be used to help build the new specialist hospital in Liverpool.

During the next few weeks the children will be learning about our chosen charity and take part in a sponsored Lego build. The children will follow instructions to make as many Lego structures and models that they can in 20 minutes. Each child will receive a certificate to show that they have taken part in the activity. Please ask friends and family to sponsor your child to help raise money for this worthy cause. You may want to sponsor a set total or each individual Lego model completed.

Whatever you can donate to help, however small, will be very much appreciated.

Please send in all money raised no later than **Monday 1st April**. The money raised will be presented to a representative from The Clatterbridge Cancer Centre on Thursday 4th April at the Year 1 Charities Day Assembly, which begins at 2:30pm. We hope you are able to join us in the hall on that day.

Many thanks

Mrs Mylett, Mrs Oasgood & Miss O'Kane.

THE CLATTERBRIDGE  
CANCER CHARITY

\_\_\_\_\_ will be taking part in a sponsored  
Lego build to help raise money for The Clatterbridge Cancer Centre.

Name	Amount sponsored	Paid

Please send all money into school no later than  
**Monday 1<sup>st</sup> April.**

Thank you very much for helping raise money for The Clatterbridge Cancer Centre.
