

SUDLEY INFANT SCHOOL

Statement of Principles - BEHAVIOUR

At Sudley Infant School we aim to develop every member of our school community through constructive comments and positive responses. We work hard to create a safe and happy environment in which all pupils are able to achieve their full potential. We are a caring community whose values are built on mutual trust and respect and where we expect our children to develop high personal standards and strong moral values.

The School's Behaviour Policy and Anti-bullying policies are designed to support the way in which all members of the school community can live and work together.
