

Sudley Infant School

*Review of 17-18 Sport Premium grant &
Areas of improvement academic year 2018-2019*

Sports Lead – Mrs Laura Ridehalgh

IMPACT OF 17/18 FUNDING

Funding received during 17/18 enabled us to ensure that all children have the opportunity to take part in competitive sport. All children took part in at least 1 competitive sporting competition during the year.

We held an Intra School Gymnastics Competition during the Spring Term for Year 1 children.

Reception children took part in a Multi-Skills Morning. This included the participation of parents, to help promote the benefits of physical activity and also to show to the parents the skills we expect the children to be able to perform in Reception.

Reception and Year 1 children took part in our Sports Fun Day Competition at the end of the summer term. This involved a range of sporting activities and fun activities, working in mixed teams of Year 1 and Reception children.

Our Year 2 children took part in an inter school competition with Greasby Infants School. The children took part in a range of fun and scoring sports activities on the school playground. Each team worked to try and get as many points as possible. Awards were given out to Winning teams from each school and also a Sportsmanship Award was given to one team from each school.

16 of our Year 2 children took part in an inter school Liverpool Schools Swimming Gala, our children won the competition!

At Sudley Infant School we have a PE passport for each child that assesses the children in PE. The PE passports have a list of targets for the children to work on over the year. Reception targets focus on the Physical Development Targets for Foundation Stage. Year 1 and 2 targets focus on the skills outlined in the National Curriculum, with the targets getting progressively harder from year 1 to year 2.

Each target is assessed to show if the child is working towards, meeting or exceeding each skill. If a child is working beyond their year groups targets they can be assessed using the next year group targets. This has helped to give teachers more information to parents about how their child is performing in PE. The staff are now more aware of how a particular child can improve and the skills that they may need to work on. It allows the teachers able to monitor progress each term and also to support them in the planning of PE lessons.

The Sports Premium money has helped to give the children more of an opportunity to experience outdoor and adventurous activities such as climbing and canoeing. The year 2 children went Bouldering at the Climbing Hangar. This is a sport many of the children had not experienced before. It helps to develop team building, self-esteem,

AREAS OF FURTHER DEVELOPMENT IN 18/19

- To encourage pupils to participate in regular physical activity and lead healthy active lifestyles across the school – organise training for lunchtime staff, new equipment on the playground
- To provide our children with good quality Physical Education- Arrange staff training
- To increase participation in competitive sport – continue to organise intra school competitions for all children and liase with other schools to organise new competitions inter school competitions
- To broaden the sporting opportunities and experiences available to pupils - Increase the types of activities for clubs - introduce new sports, new trips
- To promote sporting role models as well as paralympic events – invite parents, role models into school
- To increase the amount of time children are physically active throughout the school day.

confidence, whilst also working on agility, balance and coordination skills. We have a number of staff trained which reduces the cost of trips. Many of the children joined the local club of a Saturday or visited it again with their parents outside of school. They also went canoeing at Liverpool Water Sports Centre during the summer term – this proves to be a highlight of the three years at Sudley infant School - yearly parental questionnaires confirm this.

Specialist sports coaches have been employed in school over the past few years. Our specialist coaches offer expertise in their particular sports and have helped us to develop competitions and performances within school.

Lacrosse, Basketball, Judo, Yoga, Capoeira, Football, Dance, Gymnastics, Fencing, Golf, Tennis and Tag Rugby.

We achieved The Healthy Schools Award for 2017-2020. A file of evidence was produced and targets put in place.

We invited parents and friends of the school who had an interest in healthy lifestyles and sports into school to talk to the children.

We have continued to hold regular Breakfast Assemblies, Healthy Eating Assemblies and Wake Up and Shake ups. We have continued to hold a Walk To School Week in the Autumn and Summer Term.

We held a Healthy Eating and Lifestyles week in the summer term. All classes focused on these 5 areas during the week;

1. To have a healthy Breakfast Each Day
2. To have at least 5 portions of fruit and vegetables each day
3. To drink plenty of water
4. To Get Active
5. To make a change/try something new

Lessons were planned to cover these objectives in classes. We held a bike/scoot to school day. Each class made their own salads and did a range of activities that focused on eating a health and balanced diet. At the end of the week all the children completed a homework sheet that asked the children to discuss something they would change to improve their lifestyle. All children wrote a sentence and drew a picture of what they were going to change and these were discussed in class.

- Arrange trip with coaches, liaise with bus companies, organize letter to parents and cost trip
- Continue to liaise with Liverpool Cricket club to obtain high quality coaches to offer different sports
- Continue working on Healthy school award to ensure we have evidence to show for next renewal
- Healthy Lifestyles week will continue as an annual event as well as different activities throughout the year

allows the teachers able to monitor progress each term and also to support them in the planning of PE lessons.

The Sports Premium money has helped to **give the children more of an opportunity to experience outdoor and adventurous activities** such as climbing and canoeing.

The year 2 children went Bouldering at the Climbing Hangar. This is a sport many of the children had not experienced before. It helps to develop team building, self-esteem, confidence, whilst also working on agility, balance and coordination skills.

We have a number of staff trained which reduces the cost of trips. Many of the children joined the local club of a Saturday or visited it again with their parents outside of school. They also went canoeing at Liverpool Water Sports Centre during the summer term – this proves to be a highlight of the three years at Sudley infant School - yearly parental questionnaires confirm this.

Specialist sports coaches have been employed in school over the past few years.

Our specialist coaches offer expertise in their particular sports and have helped us to develop competitions and performances within school. **Lacrosse, Basketball, Judo, Yoga, Capoeira, Football, Dance, Gymnastics, Fencing, Golf, Tennis and Tag Rugby.**

We achieved The Healthy Schools Award for 2017-2020. A file of evidence was produced and targets put in place.

We invited parents and friends of the school who had an interest in healthy lifestyles and sports into school to talk to the children.

We have continued to hold regular Breakfast Assemblies, Healthy Eating Assemblies and Wake Up and Shake up's. We have continued to hold a Walk To School Week in the Autumn and Summer Term.

We held a Healthy Eating and Lifestyles week in the summer term. All classes focused on these 5 areas during the week;

6. To have a healthy Breakfast Each Day

7. To have at least 5 portions of fruit and vegetables each day

8. To drink plenty of water

9. To Get Active

10. To make a change/try something new

Lessons were planned to cover these objectives in classes. We held a bike/scoot to school day. Each class made their own salads and did a range of activities that focused on eating a health and balanced diet. At the end of the week all the children completed a homework sheet that asked the children to discuss something they would change to improve their lifestyle. All children wrote a sentence and drew a picture of what they were going to change and these were discussed in class.

AREAS OF FURTHER DEVELOPMENT IN 18/19

- Facilitates development of children's responsibility for health and fitness
- Climbing and canoeing activities developed with more staff trained to deliver bouldering during the year
- Encourage more staff to canoe thus giving more confidence to the children
- Child and parent yoga to be offered as before school class
- New Judo class and possibility of Jiu Jitsu
- Continue developing plans form the Healthy Schools award
- Development of the Healthy Lifestyles children, staff and parents group replacing the Travel plan group
- Breakfast assemblies for Reception continued
- Smoothie 4 week blocks when children are able to purchase freshly made smoothies

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	N/A
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	N/A
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	N/A
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes, parents pay in Y2 for 10xswimming lessons as a trip activity . The lessons are subsidised by SIPFA

2018 Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2017/18	Total fund allocated: £17,790 Overall school spends:£26,050	Review: July 2019		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				TOTAL COST
				£14,300
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Dance curriculum programme Employment of a specialist Dance Teacher to deliver high quality teaching to improve participation and attainment Each year group will take part in a 12 week block of sessions over the year.	To follow a progressive scheme of work. To develop fundamental movement skills through a range of dance styles. To develop confidence to perform a range of movement patterns.	£2730		
Gymnastics curriculum programme Employment of a specialist Gymnastics Coach to deliver high quality teaching to improve participation and attainment. Each year group will take part in a 12 week block of sessions over the year.	To follow a progressive scheme of work. To develop fundamental movement skills and access a range of opportunities to extend their agility, balance and coordination, individually and with others.	£2000		
Games (lacrosse) skills programme Employment of a specialist Lacrosse Coach to deliver high quality teaching to improve participation and attainment. Each year group will take part in a 12 week block of sessions over the year.	To follow a progressive scheme of work. To develop fundamental movement skills and access a range of opportunities to extend their agility, balance and coordination, individually and with others.	£1950		

<p>Specialist Sports Teacher to coordinate PE across the school Employing specialist teacher to work alongside teachers/classroom assistants in lessons to increase their subject knowledge and confidence in delivering Physical Education. Each year group will take part in a 12 week block of sessions over the year.</p>	<p>To ensure plans and schemes of work are in place for all the sports that are taught. To improve the quality of teaching and learning in PE. To implement assessment of PE across the school using PE passports. To support teachers and develop their confidence when delivering Physical Education. To enhance children's participation and attainment in a range of sports.</p>	<p>£2700</p>		
<p>Activity time Each child to receive a minimum of 2 hours physical activity a week to include planned hall time slots, outdoor slots and whole school walking the mile with children taking part in PE lessons.</p>	<p>Plans and schemes of work in place for teaching staff to follow. PE passports in place for assessment of PE.</p>	<p>Staff costs £750</p>		
<p>Termly 'wake up shake up' sessions held in the hall/outside as a whole school/year group and within our classrooms.</p>	<p>Whole school wake up shake ups arranged at set times during the year. Classes to do wake up shake ups in class and during wet playtimes.</p>	<p>£100</p>		
<p>Sports sessions/days - external agencies coming into school to hold short taster sessions for the children within their classes, such as Everton Football Club, tennis clubs.</p>	<p>Inviting sports coaches/clubs to come into school to deliver taster sessions. To promote and encourage children to participate in a range of sports.</p>	<p>Staff costs £500</p>		
<p>Plan a range of sports trips over the year including year 2 10 week block of swimming sessions, bouldering at The Climbing Hangar, canoeing at Liverpool Water Sports Centre and scooter</p>	<p>Children to enjoy and participate in sports they may not of tried before. Organising letters to parents, transport, cost, times and staffing.</p>	<p>Staff costs £1170</p>		

sessions. Look into some new sports trips.				
Employing a specialist play leader to deliver structured games activities at playtimes	To work alongside lunchtime supervisors to increase the participation of children in structured and active games outside. To work with year 2 play leaders to give guidance and support.	£1400		
To provide training for lunchtime supervisors to help engage children in active games at playtimes.	For lunch time staff to feel more confident leading games. More children to get involved in structured and active activities at lunch time.	£300		
To promote active wake up and shake ups and activity time during the school day to increase amount of time children are physically active.	Ideas for staff and planning to show this	£300		
Introduce walking/running a mile twice a week for all children to promote healthy lifestyles and increase the amount of time children are physically active.	Timetable this each week. Children to be talking about physical health and benefits of exercise.	£400 to support staff training and ratios		
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement				TOTAL COST
				£2850
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:

<p>Healthy Eating breakfasts To plan breakfast assemblies with parents focussing on Healthy living and Safety.</p>	<p>Parents are able to see what a healthy breakfast consists of encouraging them to provide this standard for their children</p>	<p>£800</p>		
<p>Healthy Eating Week To hold a healthy eating week in school focusing on diet, exercise, drinking water and emotional health.</p>	<p>Educate children about the importance of a healthy breakfast, fruit and vegetables, drinking water and being active. A range of activities to be planned.</p>	<p>£250</p>		
<p>Healthy Eating Outdoor Assemblies Reward children for behaviour at lunchtimes and choosing healthy options.</p>	<p>Children are given praise and encouragement to eat well and demonstrate positive behaviour during lunchtimes.</p>	<p>Staff training costs £ 150 New equipment £1500</p>		
<p>Role Models Arrange and plan for sporting role models – female and male to visit school.</p>	<p>To motivate children to take part in sport.</p>	<p>No cost - using parents/carers who do sports</p>		
<p>Peer massage All children across the school will take part in massage sessions with a specialist teacher.</p>	<p>The children will follow a programme working on different techniques for peer massage. To develop their confidence, self- esteem, respect for one another and concentration.</p>	<p>Staff training £300</p>		

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				TOTAL COST:
				£300
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To use PE passports to assess children and support teachers with their planning of PE. Staff INSET organised to develop knowledge and understanding of skills taught in PE and use of equipment Lesson modelled by PE specialist.	Teachers to assess children against targets for Key Stage 1 and Foundation Stage. Teachers more confident about use of equipment and skills taught. Teachers have a greater knowledge of the structure of a lesson and are focused on ensuring children are physically active for sustained periods of time.	LR £300		
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				TOTAL COST
				£1600
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Additional achievements: Competitive sports/coaches/ medals To increase the number of children taking part in competitive sports Outdoor and adventurous activities Children to go climbing at the Climbing Hangar, Children to go canoeing at Liverpool Water Sports Centre. Look into some new sports trips for this academic	To implement Multi-skills inter school competition for Reception children, gymnastics inter school competition for Year 1 children, swimming gala for Year 2 children and intra school sporting event with another school. To organise trips to the Climbing Hangar and Liverpool Watersports Centre. To help develop childrens' team work skills, self –esteem,	£500 Subsidy and voluntary contribution £500		

year.	confidence and experience new sports.			
Samba Bamba – music and movement Children to take part in a Samba bamba workshop rhythm and movement	To introduce children to a range of music from around the world, learning dances and playing instruments.	£300		
Circusology Children in key stage 1 to take part in Circusology sessions with an instructor	For children to develop agility, balance and coordination.	£300		
Key indicator 5: Increased participation in competitive sport				TOTAL COST
				£7000
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Arrange Gymnastics Competition for Year 1 children. Children to participate in a competitive competition focussing on the skills they have learnt in lessons.	Children to participate in a competitive sporting event. Medals and certificates to award children and motivate them. Also to be used to assess children against National Curriculum objectives.	LR, GLG, GE £1500		
Multi-skills morning for reception children and parents. To help promote the benefits of physical activity and also to show to the parents the skills we expect the children to be able to perform in Reception.	Children to participate in a competitive sporting event. Medals and certificates to award children and motivate them. Also to be used to assess children against Early Learning Goals.	LR £1000		
Inter-school competition for year 2	Children to participate in a	LR and other staff		

children – athletic events	competitive sporting event against another school. Medals designed by children. Trophies awarded to teams. Olympic and Paralympic values promoted.	£2000		
Sports Fun Day Reception and Year 1 children.	Children to participate in a competitive sporting event against children in different classes/year groups. Trophies and certificates awarded to teams. Olympic and Paralympic values promoted.	LR and other staff £2000		
Year 2 to take part in Liverpool Schools Swimming Gala	Children to participate in competitive sporting event against other schools. A range of abilities selected to take part in the event.	LR/LG £500		
Introduce some new competitions, liaise with other schools to try and organise inter school competitions.	Liaise with other sports coordinators to introduce new competitions.
