

Friday 31<sup>st</sup> January

Dear Parents/Carers,

For our charity this year Herons are raising money for 'Cerebral Palsy United Football Club' (CPUFC).

CPUFC welcomes anyone who has Cerebral Palsy/acquired brain injury and wants to play football to come along and be a part of their club. CPUFU work with both children and adults alike. Training sessions and fixtures are available to **all** regardless of age, ability, experience, gender, mobility or CP classification.

Living with Cerebral Palsy or a brain injury can be isolating and frustrating. Simply being able to share the love of football with others can be a huge help to sufferers and their families.

To raise money, we will be having a sponsored 'Beat the Goalie' session, and we ask that you would encourage your child to ask family and friends to sponsor our class to score as many goals as possible.

As the football transfer window closes today I am delighted to say that we have signed, on a free transfer, Mr Gary 'The Cat' Francis, from Sudley Infant School's site management team, to be our goalie. We hope he's rubbish so that we can score lots of goals and raise lots of money for this great cause!

Why not come along to our Charity Assembly which is on Friday 14<sup>th</sup> February in the afternoon to see how we got on.

Kind regards and thank you for your support,

The Herons and Mr Hine
