

Week Beginning
7/9/2020

Welcome to Year Two

We have had an amazing week in Year Two and look forward to all the exciting things we are going to be learning about this year together.

To make sure we stay safe online we follow these rules:

1. **Always** keep personal information such as your birthday or address private online.
2. **Always** make sure you only connect with your real friends online and do not arrange to meet anyone online.
3. **Always** check with an adult before opening an email or message, even ones from a friend as they could contain a virus.
4. **Always** double check things you read on the internet, not everything online is a fact.

Our topic this week

Marvellous Mistakes

Finding out about accidental discoveries that changed the world we live in forever.

Maths

Ordering numbers 0-100 in a sequence.

English

Writing sentences using capital letters, full stops and. adjectives (*words that describe*).

Don't forget
to go on Bug
Club!

Remember:

Please make sure all your children's clothes, bags and water bottles have their name clearly labeled.
Please make sure your child has brought in their indoor and outdoor PE kits.
