

Year 1 Newsletter

Please bring in any 4 pint milk bottles for the children as we will be making bird feeders as part of Design Technology. Please remove any labels and wash them beforehand. Please bring them in before Tuesday 24th November. Thank you!

Spellings

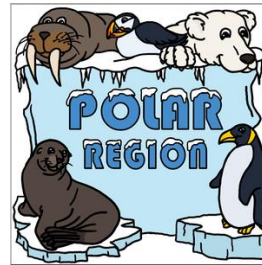

These are the spellings for next week.

When practising at home please focus on words being spelt correctly, letter formation and letters on the line.

**them

Our topic this week

Polar Regions

- To identify hot and cold places and locate them on a map
- To find out about Ernest Shackleton
- To locate Antarctica on a map

Online Safety Tip

You and your child know everyone has a digital footprint.

On **Monday 30th November** we will be having a non-curriculum day. The theme this year is Elf School. We would like the children to dress as elves, wearing red and green clothing or their PE tracksuits. If you have time, please make an elf hat with your child for them to wear on the day. We will be starting the day with a drink and a biscuit (like all professional elves do!) We hope that this will be an exciting day for the children to start the Christmas season!

Maths

Looking at measurement; length, capacity and weight.

English

Write interesting questions based on Beegu by Alexis Deacon.
