

## Reading during school closures.

Reading is an essential skill, it is vitally important that children begin to learn to read from a young age in order to become confident and fluent, and hopefully develop a love of reading!

During the school closure your child is expected to read regularly, we recommend at least 5 times a week.

All children at Sudley Infant School have access to Bug Club e-books, these are allocated to children on an individual basis and match the children's reading ability.

In addition to reading books from their Bug Club account, children can read other e-books online and any of their own story books and/or magazines.

During the current school closure we will be monitoring how much reading the children are doing. We ask that parents keep a simple record of the books your child has read each week, you can use your child's current reading record book if you have it at home, alternatively you can print off and use the reading record log provided, or simply write a list on a piece of paper. We would really appreciate it if you could upload a photograph of the reading log to your child's profile on Class DoJo each Friday.

Please find below a list of useful websites that provide a wide range of e-books. Some of the websites do require you to register, once you have registered the content is free.
