

**Week Beginning  
8/3/2021**

## Welcome Back!

Children will be coming into school in a staggered way to avoid congestion. This means that the school day will start from 8.40am as we cannot reduce the amount of teaching time for children.

	Start of day	End of day
<b>Surnames A-G</b>	<b>8.40am</b>	<b>3.05pm</b>
<b>Surnames H-N</b>	<b>8.45am</b>	<b>3.10pm</b>
<b>Surnames O-Z</b>	<b>8.50am</b>	<b>3.15pm</b>

Please be prompt and stick to your allocated time.

Remember to bring both your indoor and outdoor PE kits to school.

**Our topic this week is;**

## Woodland

We will be;

- Using instruments to create the sound of woodland
- Looking at symbols that help us read maps of woodland areas
- Naming parks in our local area
- Learning about the work of Andy Goldsworthy, who uses natural materials to create his art work.

## Maths

Looking at tens and ones using different equipment, e.g. money (10p and 1p coins).

Tens	Ones

## English

We will be looking at sentence writing. Focusing on punctuation, handwriting and stretching a sentence.

A big well done to all of the children, parents and carers for their efforts during home learning.

We are looking forward to seeing everyone back in school next week!

## Health and Well Being

We understand that the children may be feeling stressed and upset as they come back into school. We will be focusing on children's happiness and feelings of security. We will be introducing the 'Tapping Solution' which involves teaching stress relief techniques and hope these will help children settle in and be able to handle stress.
