

# Reception Newsletter

**Week Beginning**  
**19.4.2021**

## Important Notices

Just a little reminder about the miniature gardens. They are due in on Monday 10th May.

## Our Theme Next Week

### How does your garden grow?

We will be discussing the importance of water and how they help all the plants and flowers to grow. We will be looking at different leaves and we will do leaf rubbings.

## Maths

We are learning the names of 3D shapes and their properties. We will be continuing to add objects together.

## Our new additions!

Each class has had a special delivery! We all have our own 5 caterpillars. We will be watching how they grow and the changes that happen to them.

## Writing

Writing facts about the lifecycle of a frog. Labelling the parts of a frog.

## Book of the Week

Tadpoles' promise

## Things to do at home and on the way to school

Look for signs of Spring whilst on a walk to the park.  
Read my school reading book and login to Active Learn.
