Living Streets Project

This week it has been really good to find out how children get to school and they have recorded their type of journey everyday.

To keep congestion to a minimum could we ask all parents and carers to stick to their allocated drop off and pick up times please.

Our topic this week is Future Travel

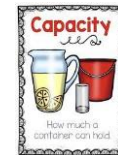

We will find out about future space travel and famous astronauts

In science we will learn what is meant by a balanced diet

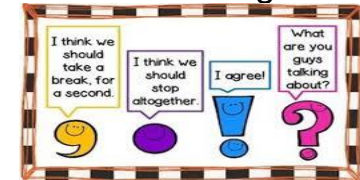

Maths

We will be using non-standard and standard units to measure and compare weights and capacities.

English

We will be using capital letters, full stops question marks correctly in our writing
