

ClassDojo

ClassDojo allows parents and carers to change the main language on their screen- there are 30 different languages to choose from.

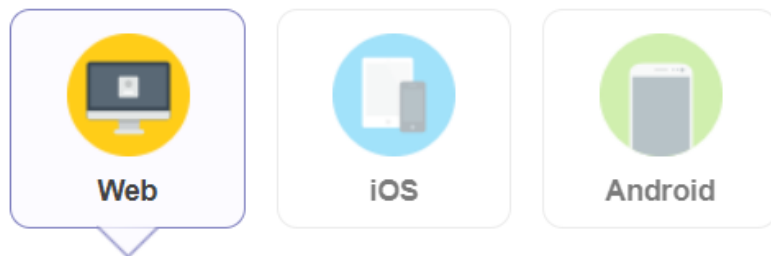

This document provides instructions for changing the language settings on ClassDojo.

We hope that this is useful for some of our families.

Please get in touch with the Parent line if you have any further questions or need help with ClassDojo.

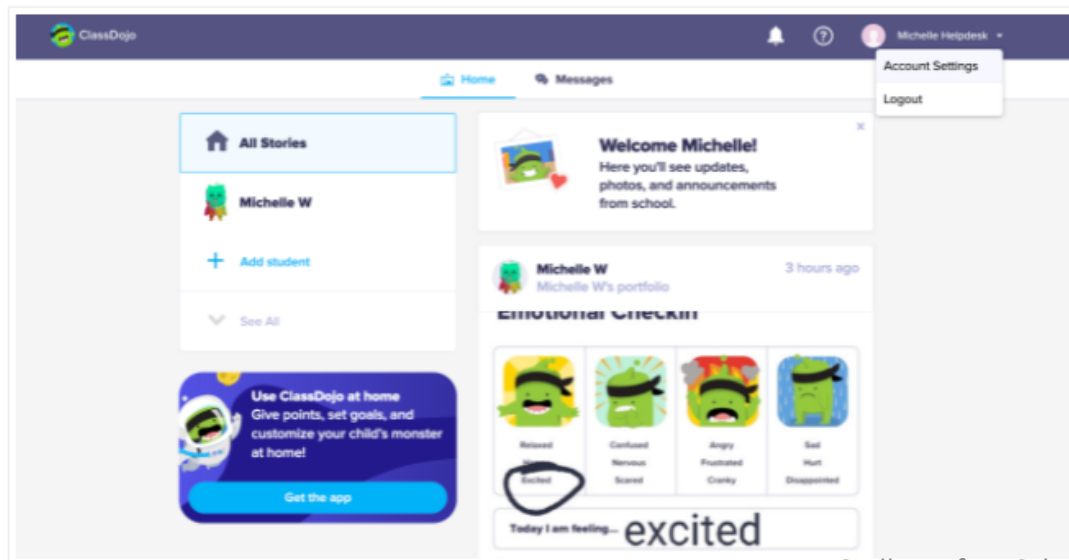

Change Your Parent Account's Language

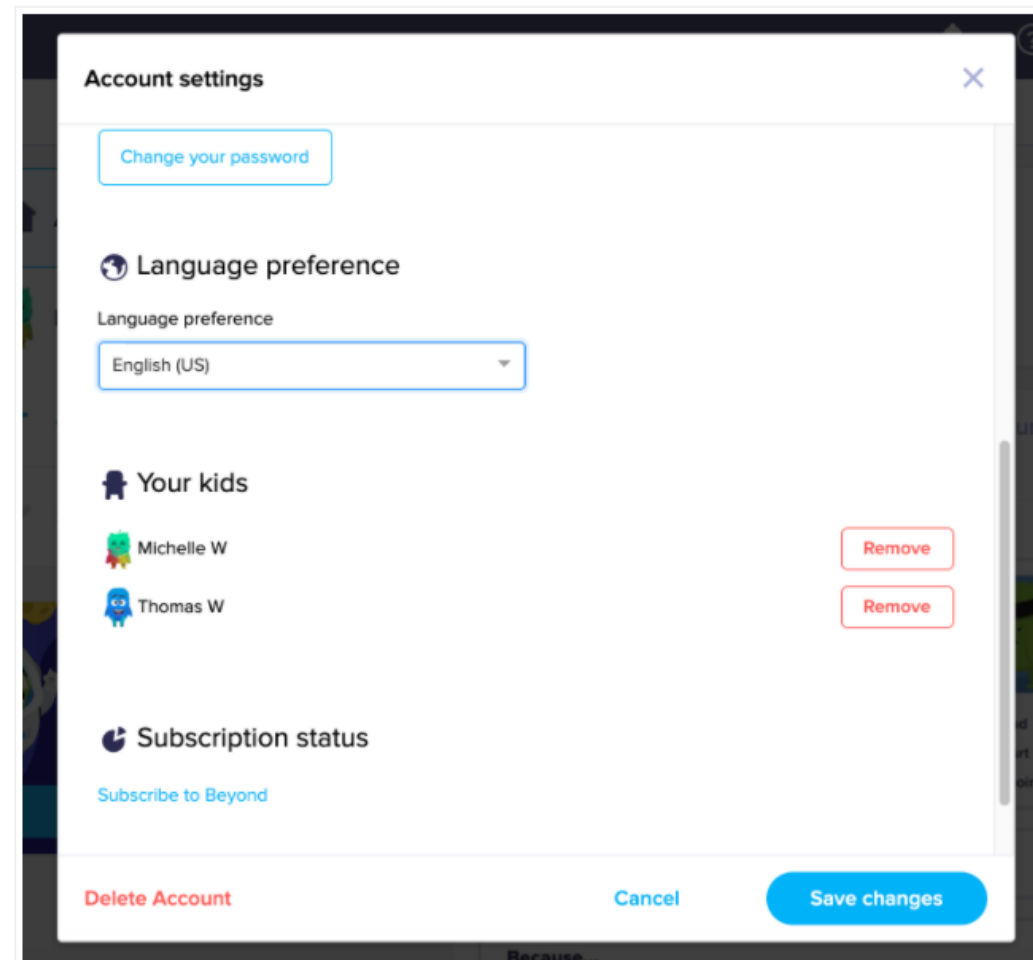

From the Web

ClassDojo accounts are available in 30+ languages. Here's how to change your account's language using the ClassDojo website:

- 1 Click on your name in the upper right corner of the screen when you are logged into your parent account and select "Account Settings"

- 2 Under "Language preference," select your desired language

- 3 Click the blue "Save changes" button

Change Your Parent Account's Language

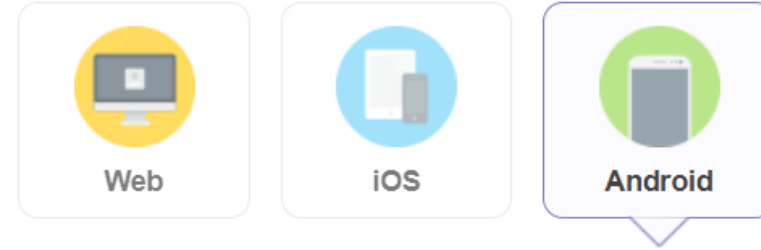

iOS

ClassDojo accounts are available in 30+ languages. Here's how to change your account's language using the iOS app:

- 1 Tap on your profile icon in the upper left corner of the screen and click "Settings" beside your account
- 2 Select "Language" to view the list of languages
- 3 Select your preferred language and your account will automatically update

Change Your Parent Account's Language

Android

At this time, parents are not able to change their account's language on the Android app. Please log into your account on the [ClassDojo website](#) in order to change your account's language.
