

Week Beginning
27/9/21

Year 2 Newsletter

Activities

It's officially Autumn!
As the nights start to get darker, is there anything else you can notice about the changes in the season?

Our topic this week is Under and Over Ground

We will be finding out information about railways and how they changed people's lives through the transportation of goods.

Maths

We will be learning about 2d shapes.

English

We will be focusing on writing letters.

Spellings for Friday

Please learn the spellings in bold

Can you come **here** today?
I **know** it is going to be sunny this week.

Can you **hear** the dog bark?
I have bumped my **knee**.

Please **knock** on the door.
It is wet **because** it is raining.

I will **make** a cake.

I will fly my **kite**.

Online Safety Tip

Ensure your parents know what you are posting and watching online!

Recycling week

This week we will be focusing on the importance of recycling. Recycling means taking objects and using materials they are made from to make something new and useful.

Can you re-use one thing in your house?
